## No Thanks, Mom

### The Top Ten Objects that Your Kids Do NOT Want (and what to do with them)

Elizabeth Stewart, Ph.D., The Savvy Appraiser, offers sage advice on what to do with those objects that were lovingly saved, but are not welcomed by the next generation. Learn how to downsize your home without upsizing your children's home, and without causing strife in your relationships.

With over 30 years of experience appraising art and antiques, it was a personal experience of discovering her own treasures in a Goodwill store that inspired Dr. Stewart's presentation. A gifted speaker, she will have you alternating between laughter and tears as she sets forth plans for what to do with your treasures once your kids have said "No thanks."

Presented in a private home in Westlake Village with wine and light refreshments. Dr. Stewart's book "No Thanks, Mom" will be available for purchase, for your own reference or as a gift to your family and friends.

Hosted by Nadine Kawaguchi, Anne Prokopovych and Renée Salick.
